Introduction to the Enneagram

The Enneagram, originating in the Sufi spiritual tradition, describes nine personality types. Each of these nine types perceives life differently, has different habitual mental patterns, and makes choices out of the perception. The enneagram provides helpful self-knowledge and understanding of others, and may lead to growth in spiritual freedom.

DATE: Saturday, September 10, 2022
TIME: Registration: 8:45AM
       Workshop: 9AM-Noon
FEE: $25; $15 for Sisters of Charity
